J.P. MORGAN SECURITIES LLC
As Representative of the Underwriters

c/o J.P. Morgan Securities LLC

New York, New York 10179

Ladies and Gentlemen:

Introductory. iStar Inc., a Maryland corporation (the “**Company**”), confirms its agreement with J.P. Morgan Securities LLC (“**JPM**”) and the other several underwriters named in Schedule A hereto (collectively, the “**Underwriters**”), with respect to the sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of the respective principal amounts set forth in such Schedule A of \$550,000,000 aggregate principal amount of the Company’s 4.250% Senior Notes due 2025 (the “**Securities**”). JPM has agreed to act as the representative of the several Underwriters (the “**Representative**”) in connection with the offering and sale of the Securities.

The Securities will be issued pursuant to an Indenture, dated as of February 5, 2001, between the Company and U.S. Bank National Association, as trustee (the “**Trustee**”) (the “**Base Indenture**”), as amended by the Thirty-fourth Supplemental Indenture, to be dated as of December 16, 2019, between the Company and the Trustee relating to the Securities (such supplemental indenture, the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”). The Securities will be issued only in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the “**Depository**”) pursuant to a letter of representations, to be dated on or before the Closing Date (as defined in Section 2 hereof), among the Company, the Trustee and the Depository.

This Agreement, the Securities and the Indenture are referred to herein as the “**Transaction Documents.**”

The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-3 (File No. 333-220353), which contains a base prospectus (the “**Base Prospectus**”), to be used in connection with the public offering and sale of debt securities, including the Securities, and other securities of the Company under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Securities Act**”), and the offering thereof from time to time in accordance with Rule 415 under the Securities Act. Such registration statement, including the financial statements, exhibits and schedules thereto, in the form in which it became effective under the Securities Act, including any required information deemed to be a part thereof at the time of effectiveness pursuant to Rule 430B under the Securities Act, is called the “**Registration Statement.**” The term “**Prospectus**” shall mean the final prospectus supplement relating to the Securities, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is executed by the parties hereto. The term “**Preliminary Prospectus**” shall mean any preliminary prospectus supplement relating to the Securities, together with the Base Prospectus, that is used in connection with the offering of the Securities. Any reference herein to the Registration Statement, the Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents that are or are deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act. All references in this Agreement to the Registration Statement, the Preliminary Prospectus, the Prospectus, or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”).

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus or the Preliminary Prospectus shall be deemed to mean and include all such financial statements and schedules and other information which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or the Preliminary Prospectus, as the case may be, prior to the Applicable Time (which for the purposes of this Agreement is 3:40 p.m., New York City time, on December 6, 2019); and all references in this Agreement to amendments or supplements to the Registration Statement, the Prospectus or the Preliminary Prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Exchange Act**”), which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or the Preliminary Prospectus, as the case may be, after the Applicable Time.

The Company hereby confirms its agreements with the Underwriters as follows:

SECTION 1. **Representations and Warranties.** The Company hereby represents, warrants and covenants to each Underwriter that, as of the Applicable Time and as of the Closing Date (in each case, a “**Representation Date**”):

(a) **Compliance with Registration Requirements.** The Registration Statement has been filed not earlier than three years prior to the date hereof and, at the time of the filing the Registration Statement, the Company met the requirements for use of an “automatic shelf registration statement” (as defined in Rule 405 under the Securities Act) on Form S-3 under the Securities Act. The Registration Statement has become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose or pursuant to Section 8A of the Securities Act have been instituted or are pending or, to the knowledge of the Company, are contemplated or threatened by the Commission, and any request on the part of the Commission for additional information has been complied with. In addition, the Base Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations promulgated thereunder (the “**Trust Indenture Act**”).

At the respective times the Registration Statement and any post-effective amendments thereto became effective and at each Representation Date, the Registration Statement and any amendments thereto (i) complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act, and (ii) did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. At the date of the Prospectus and at the Closing Date, neither the Prospectus nor any amendments or supplements thereto (including any prospectus wrapper) included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, the representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement or any post-effective amendment or the Prospectus or any amendments or supplements thereto made in reliance upon and in conformity with information furnished to the Company in writing by any of the Underwriters through the Representative expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter through the Representative consists of the information described as such in Section 7(b) hereof.

Each Preliminary Prospectus and the Prospectus, at the time each was filed with the SEC, complied in all material respects with the requirements of the Securities Act, and the Preliminary Prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of the Securities, at the time of such delivery, was or will be, as the case may be, be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(b) **Pricing Disclosure Package.** The term “**Pricing Disclosure Package**” shall mean (i) the Preliminary Prospectus dated December 6, 2019, (ii) the issuer free writing prospectuses as defined in Rule 433 of the Securities Act (each, an “**Issuer Free Writing Prospectus**”), if any, identified in Schedule B hereto and (iii) any other free writing prospectus as defined in Rule 405 of the Securities Act (each a “**Free Writing Prospectus**”) that the parties hereto shall hereafter expressly agree in writing to treat as part of the Pricing Disclosure Package. As of the Applicable Time, the Pricing Disclosure Package did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Pricing Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representative specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter through the Representative consists of the information described as such in Section 7(b) hereof.

(c) **Incorporated Documents.** The documents incorporated or deemed to be incorporated by reference in the Pricing Disclosure Package and the Prospectus at the time they were or hereafter are filed with the Commission (collectively, the “**Incorporated Documents**”) complied and will comply in all material respects with the requirements of the Exchange Act. Each such Incorporated Document, when taken together with the Pricing Disclosure Package, did not as of the Applicable Time, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) **Issuer Free Writing Prospectuses.** Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offering of Securities under this Agreement or until any earlier date that the Company notified or notifies the Representative as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Prospectus. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Prospectus the Company has promptly notified or will promptly notify the Representative and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. Any Issuer Free Writing Prospectus not identified on Schedule B, when taken together with the Pricing Disclosure Package, did not, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The foregoing three sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representative specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter through the Representative consists of the information described as such in Section 7(b) hereof. Each Issuer Free Writing Prospectus, at the time each was filed with the SEC, complied in all material respects with the requirements of the Securities Act.

(e) **Company Not Ineligible Issuer.** At the time of filing the Registration Statement and any post-effective amendment thereto, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Securities and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405, without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an ineligible issuer.

(f) **Distribution of Offering Material By the Company.** The Company has not distributed and will not distribute, prior to the later of the Closing Date and the completion of the Underwriters’ distribution of the Securities, any offering material in connection with the offering and sale of the Securities other than the Preliminary Prospectus, the Prospectus and any Issuer Free Writing Prospectus reviewed and consented to by the Representative and included in Schedule B hereto or the Registration Statement.

(i) **Authorization of the Securities.** The Securities to be purchased by the Underwriters from the Company will on the Closing Date be in the form contemplated by the Indenture, have been duly authorized for issuance and sale pursuant to this Agreement and the Indenture and, at the Closing Date, will have been duly executed by the Company and, when authenticated in the manner provided for in the Indenture and delivered against payment of the purchase price therefor, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles and will be entitled to the benefits of the Indenture.

(j) **Authorization of the Indenture.** (i) The Base Indenture has been duly authorized, executed and delivered by the Company, (ii) the Supplemental Indenture has been duly authorized by the Company and, at the Closing Date, will have been duly executed and delivered by the Company, and (iii) the Base Indenture and the Supplemental Indenture, in each case, assuming due authorization, execution and delivery by the other parties thereto, constitutes, in the case of the Base Indenture, and will constitute, in the case of the Supplemental Indenture, a valid and binding agreement of the Company, enforceable against the Company in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles.

(k) **Description of the Transaction Documents.** The Transaction Documents will conform in all material respects to the respective statements relating thereto contained in the Pricing Disclosure Package and the Prospectus.

On and as of the date hereof, no event has occurred or is continuing which constitutes, or with notice or lapse of time would constitute, an Event of Default (as defined in the Indenture). No consent, approval, authorization or other order of, or registration or filing with, any court or other governmental or regulatory authority or agency is required for the execution, delivery and performance of the Transaction Documents by the Company to the extent a party thereto, or the issuance and delivery of the Securities, or consummation of the transactions contemplated hereby and thereby and by the Pricing Disclosure Package and the Prospectus, except such as have been obtained or made by the Company and are in full force and effect under the Securities Act, applicable securities laws of the several states of the United States or provinces of Canada. As used herein, a “**Debt Repayment Triggering Event**” means any event or condition which gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(t) **No Material Actions or Proceedings.** No legal or governmental proceedings are pending or threatened to which the Company or any of its subsidiaries is a party or to which the property of the Company or any of its subsidiaries is subject that are required to be described in the Registration Statement or the Prospectus that are not described in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(u) **Intellectual Property Rights.** Except as otherwise disclosed in the Pricing Disclosure Package and the Prospectus, the Company and its subsidiaries own or possess, or can acquire on reasonable terms, all material patents, patent applications, trademarks, service marks, trade names, licenses, know-how, copyrights, trade secrets and proprietary or other confidential information necessary to operate the business now operated by them, and neither the Company nor any such subsidiary has received any notice of infringement of or conflict with asserted rights of any third party with respect to any of the foregoing which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Change.

(v) **All Necessary Permits, etc.** Except as otherwise disclosed in the Pricing Disclosure Package and the Prospectus, the Company and its subsidiaries possess all consents, licenses, certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct their respective businesses, and neither the Company nor any such subsidiary has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Change, or constitute a development involving a prospective Material Adverse Change.

(w) **Title to Properties.** Except as otherwise disclosed in the Pricing Disclosure Package and the Prospectus (including liens granted in favor of lenders under the Company's secured indebtedness disclosed in the Pricing Disclosure Package and the Prospectus), the Company and each of its subsidiaries have good and marketable title in fee simple to all items of real property and marketable title to all personal property owned by each of them, in each case free and clear of any security interests, liens, encumbrances, equities, claims and other defects, except such as do not materially and adversely affect the value of such property and do not interfere with the use made or proposed to be made of such property by the Company or such subsidiary, and any real property and buildings held under lease by the Company or any such subsidiary are held under valid, subsisting and enforceable leases, with such exceptions as are not material and do not interfere with the use made or proposed to be made of such property and buildings by the Company or such subsidiary.

(x) **Tax Law Compliance.** The Company is organized in conformity with the requirements for qualification as a real estate investment trust ("REIT") under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended, including the regulations and published interpretations thereunder (the "Code"), and its proposed method of operation as described in the Pricing Disclosure Package and the Prospectus will enable it to continue to meet the requirements for taxation as a REIT under the Code. The Company has filed all foreign, federal, state and local tax returns that are required to be filed or has requested extensions thereof (except in any case in which the failure so to file would not result in a Material Adverse Change) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it (except in any case in which the failure to so pay would not result in a Material Adverse Change), to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as described in or contemplated by the Pricing Disclosure Package and the Prospectus.

(y) **Company Not an “Investment Company.”** The Company is not an “investment company” and, after giving effect to the offering of the Securities and the application of the proceeds therefrom, will not be an “investment company,” as such term is defined in the Investment Company Act of 1940, as amended (the “**Investment Company Act**”).

(z) **Insurance.** The Company and each of its subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which they are engaged; neither the Company nor any such subsidiary has been refused any insurance coverage sought or applied for; and neither the Company nor any such subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not result in a Material Adverse Change, except as described in or contemplated by the Pricing Disclosure Package and the Prospectus.

(aa) **No Price Stabilization or Manipulation.** Neither the Company nor any of its affiliates has taken, nor will the Company or any of its affiliates take, directly or indirectly, any action which is designed, or would be expected, to cause or result in, or which has constituted, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(bb) **Solvency.** No receiver or liquidator (or similar person) has been appointed in respect of the Company or any subsidiary of the Company or in respect of any part of the assets of the Company or any subsidiary of the Company, except in connection with non-performing assets held by the Company and its subsidiaries; no resolution, order of any court, regulatory body, governmental body or otherwise, or petition or application for an order, has been passed, made or presented for the winding up of the Company or any subsidiary of the Company or for the protection of the Company or any such subsidiary from its creditors; and the Company has not, and no subsidiary of the Company has, stopped or suspended payments of its debts, become unable to pay its debts or otherwise become insolvent. Immediately after the completion of the offering of the Securities (after giving effect to the consummation of the offering and the issuance of the Securities), the Company will be Solvent. As used herein, the term “**Solvent**” means, with respect to any person on a particular date, that on such date (i) the fair market value of the assets of such person is greater than the total amount of liabilities (including contingent liabilities) of such person, (ii) the present fair salable value of the assets of such person is greater than the amount that will be required to pay the probable liabilities of such person on its debts as they become absolute and matured and (iii) such person is able to realize upon its assets and pay its debts and other liabilities, including contingent obligations, as they mature.

(cc) **Compliance with Sarbanes-Oxley.** The Company and its subsidiaries and their respective officers and directors are in compliance with the applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations of the Commission promulgated thereunder.

Any certificate signed by an officer of the Company and delivered to the Underwriters or to counsel for the Underwriters shall be deemed to be a representation and warranty by the Company to each Underwriter as to the matters set forth therein.

SECTION 2. **Purchase, Sale and Delivery of the Securities.**

(a) **The Securities.** The Company agrees to issue and sell to the Underwriters, severally and not jointly, all of the Securities, and, subject to the conditions set forth herein, the Underwriters agree, severally and not jointly, to purchase from the Company the aggregate principal amount of Securities set forth opposite their names on Schedule A, at a purchase price of 99.00% of the principal amount thereof payable on the Closing Date, in each case, on the basis of the representations, warranties and agreements herein contained, and upon the terms and conditions herein set forth.

(b) **The Closing Date.** Delivery of certificates for the Securities to be purchased by the Underwriters and payment therefor shall be made at the offices of Simpson Thacher & Bartlett LLP (or such other place as may be agreed to by the Company and JPM) at 9:00 a.m., New York City time, on December 16, 2019, or such other time and date as JPM shall designate by notice to the Company (the time and date of such closing are called the “**Closing Date**”). The Company hereby acknowledges that circumstances under which JPM may provide notice to postpone the Closing Date as originally scheduled include, but are in no way limited to, any determination by the Company or the Underwriters to recirculate to investors copies of an amended or supplemented Prospectus or a delay as contemplated by the provisions of Section 17 hereof.

(c) **Delivery of the Securities.** The Company shall deliver, or cause to be delivered, to the Trustee for the accounts of the several Underwriters certificates for the Securities at the Closing Date against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The certificates for the Securities shall be in such denominations and registered in the name of Cede & Co., as nominee of the Depositary, and shall be made available for inspection on the business day preceding the Closing Date at a location in New York City, as JPM may designate. Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

(d) **Payment.** Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the Representative for the respective accounts of the Underwriters of certificates for the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representative, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has agreed to purchase. JPM, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Date but such payment shall not relieve such Underwriter from its obligations hereunder.

SECTION 3. **Covenants and Agreements.** The Company further covenants and agrees with each Underwriter that:

(a) The Company will:

(i) file the Prospectus and any amendment or supplement thereto with the Commission in the manner and within the time period required by Rule 424(b) under the Securities Act. During any time when a prospectus relating to the Securities is required to be delivered under the Securities Act, the Company (x) will comply with all requirements imposed upon it by the Securities Act, the Exchange Act and the Trust Indenture Act, and the respective rules and regulations of the Commission thereunder to the extent necessary to permit the continuance of sales of or dealings in the Securities in accordance with the provisions hereof and of the Prospectus, as then amended or supplemented, and (y) will not file with the Commission any amendment or supplement to the Base Prospectus (including the Prospectus or any Preliminary Prospectus), any amendment to the Registration Statement or any Free Writing Prospectus unless the Underwriters previously have been advised of, and furnished with a copy within a reasonable period of time prior to, the proposed filing and the Representative shall have given its consent to such filing, which shall not be unreasonably withheld. The Company will prepare and file with the Commission, in accordance with the rules and regulations of the Commission, promptly upon request by the Representative or counsel for the Underwriters, any amendments to the Registration Statement or amendments or supplements to the Prospectus that may be necessary to comply with law, in the reasonable judgment of the Representative or counsel for the Underwriters, in connection with the distribution of the Securities by the Underwriters. The Company has advised or will advise, as applicable, the Underwriters, promptly after receiving notice thereof, of the time when the Registration Statement or any amendment thereto has been filed or become effective or the Prospectus or any amendment or supplement thereto has been filed and will provide evidence satisfactory to the Representative and counsel for the Underwriters of each such filing or effectiveness;

(ii) without charge, so long as a prospectus relating to the Securities is required to be delivered under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus or any amendment or supplement thereto as the Representative may reasonably request; and

(iii) advise the Underwriters, promptly after receiving notice or obtaining knowledge thereof, of (w) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any amendment thereto or any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus or any Free Writing Prospectus or any amendment or supplement thereto, (x) the suspension of the qualification of the Securities for offering or sale in any jurisdiction, (y) the institution, threatening or contemplation of any proceeding for any purpose identified in the preceding clause (w) or (x) or pursuant to Section 8A of the Securities Act, or (z) any request made by the Commission for amending the Registration Statement, for amending or supplementing the Prospectus or for additional information. The Company will use commercially reasonable efforts to prevent the issuance of any such stop order and, if any such stop order is issued, to obtain the withdrawal thereof as promptly as possible.

(b) The Company will cooperate with the Underwriters in qualifying the Securities for offering and sale in each jurisdiction as the Representatives shall designate including, but not limited to, pursuant to applicable state securities (“Blue Sky”) laws of certain states of the United States of America or other U.S. jurisdictions, and the Company shall maintain such qualifications in effect for so long as may be necessary in order to complete the placement of the Securities; *provided, however*, that the Company shall not be obliged to file any general consent to service of process or to qualify as a foreign corporation or as a securities dealer in any jurisdiction or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(c) The Company agrees that, unless it obtains the prior written consent of the Representative, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has obtained or will obtain, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a Free Writing Prospectus required to be filed by the Company with the Commission or retained by the Company under Rule 433; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule B hereto, any electronic road show and term sheets relating to the Securities containing customary transaction announcement or pricing information. Any such Free Writing Prospectus consented to by the Representative or the Company is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. For the avoidance of doubt, Underwriter Free Writing Prospectuses that are not required to be filed by the Company with the Commission or retained by the Company under Rule 433 are permitted hereby.

(d) The Company will comply with the Securities Act and the Exchange Act so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Registration Statement, the Pricing Disclosure Package and the Prospectus. If, at any time prior to the later of the Closing Date and the final date when a prospectus relating to the Securities is required to be delivered under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Registration Statement, the Pricing Disclosure Package or the Prospectus, as then amended or supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if for any other reason it shall be necessary at any time to amend the Registration Statement or amend or supplement the Pricing Disclosure Package or the Prospectus to comply with the Securities Act, the Exchange Act or the Trust Indenture Act or the respective rules or regulations of the Commission thereunder or applicable law, the Company will promptly notify the Underwriters thereof and will promptly, at its own expense, but subject to the second sentence of Section 3(a)(i) hereof: (x) prepare and file with the Commission an amendment to the Registration Statement or amendment or supplement to the Pricing Disclosure Package or the Prospectus which will correct such statement or omission or effect such compliance; and (y) supply any amended Registration Statement or amended or supplemented Pricing Disclosure Package or Prospectus to the Underwriters in such quantities as the Underwriters may reasonably request. If there occurs an event or development as a result of which the Pricing Disclosure Package or the Prospectus would include an untrue statement of material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will notify promptly the Underwriters so that any use of the Pricing Disclosure Package or the Prospectus may cease until it is amended or supplemented. The foregoing two sentences do not apply to statements in or omissions from the Pricing Disclosure Package or the Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7(b) hereof.

(e) The Company will make generally available to the Company's securityholders and to the Underwriters as soon as practicable an earnings statement that satisfies the provisions of Section 11(a) of the Securities Act, including Rule 158 thereunder. If the Company makes such earnings statement publicly available by press release or filing with the Commission, it shall be deemed to have satisfied its obligations under this paragraph (e).

(f) The Company will apply the net proceeds from the sale of the Securities as set forth under "Use of Proceeds" in the Pricing Disclosure Package and the Prospectus.

(g) The Company agrees to pay the required Commission filing fees relating to the Securities in accordance with Rules 456 and 457 of the Securities Act.

(h) Until midnight, New York City time, on the Closing Date, the Company will not, without the prior written consent of the Representative (which consent may be withheld at the sole discretion of the Representative), directly or indirectly, sell, offer, contract or grant any option to sell, pledge, transfer or establish an open “put equivalent position” within the meaning of Rule 16a-1 under the Exchange Act, or otherwise dispose of or transfer, or announce the offering of, or file any registration statement under the Securities Act in respect of, any debt securities of the Company or securities exchangeable for or convertible into debt securities of the Company.

The Representative on behalf of the several Underwriters, may, in its sole discretion, waive in writing the performance by the Company of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 4. Payment of Expenses. The Company shall bear and pay all costs and expenses incurred incident to the performance of its obligations under this Agreement, whether or not the transactions contemplated herein are consummated or this Agreement is terminated pursuant to Section 9 hereof, including: (i) fees and expenses of preparation, issuance and delivery of this Agreement and the Securities to the Underwriters and of the Indenture; (ii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Securities to the Underwriters; (iii) the fees and expenses of its counsel, accountants and any other experts or advisors retained by the Company; (iv) fees and expenses incurred in connection with the registration of the Securities under the Securities Act and the preparation and filing of the Registration Statement, the Prospectus and all amendments and supplements thereto; (v) the fees and expenses incurred in connection with the printing and distribution (including any form of electronic distribution) of the Prospectus, any Preliminary Prospectus and any Permitted Free Writing Prospectus and the printing and production of all other documents connected with the offering of the Securities (including this Agreement and any other related agreements); (vi) expenses related to the qualification or registration (or the obtaining exemptions from the qualification or registration of) all or any part of the Securities for offer and sale under the securities laws of the several states of the United States, the provinces of Canada or other jurisdictions designated by the Underwriters (including, without limitation, the cost of preparing, printing and mailing preliminary and final blue sky or legal investment memoranda and any related supplements to the Pricing Disclosure Package and/or the Prospectus); (vii) the filing fees and expenses, if any, incurred with respect to any filing with the Financial Industry Regulatory Authority, Inc. (“FINRA”), including the fees and disbursements of counsel for the Underwriters in connection therewith; (viii) all arrangements relating to the preparation, issuance and delivery to the Underwriters of any certificates evidencing the Securities and all fees and expenses (including reasonable fees and expenses of counsel) of the Company in connection with approval of the Securities by the Depository for “book-entry” transfer, and the performance by the Company of its other obligations under this Agreement; (ix) any fees charged by investment rating agencies for the rating of the Securities; (x) the fees and expenses of the Trustee; (xi) the costs and expenses of the “roadshow” and any other meetings with prospective investors in the Securities (other than as shall have been specifically approved by the Underwriters to be paid for by the Underwriters); and (xii) the costs and expenses of advertising relating to the offering of the Securities (other than as shall have been specifically approved by the Underwriters to be paid for by the Underwriters).

SECTION 5. **Conditions of the Obligations of the Underwriters.** The obligations of the several Underwriters to purchase and pay for the Securities as provided herein on the Closing Date shall be subject to the accuracy of the representations and warranties on the part of the Company set forth in Section 1 hereof as of the date hereof and as of the Closing Date as though then made and to the timely performance by the Company of its covenants and other obligations hereunder, and to each of the following additional conditions:

(a) **Effectiveness of Registration Statement.** The Registration Statement has become effective and, at the Closing Date, no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the Securities Act, no order preventing or suspending the use of any Preliminary Prospectus or the Prospectus has been issued and no proceedings for any of those purposes or pursuant to Section 8A of the Securities Act have been instituted or are pending or, to the Company's knowledge, contemplated; and the Company has complied with each request (if any) from the Commission for additional information.

(b) **Accountants' Comfort Letters.** (i) On the date hereof, the Underwriters shall have received from PricewaterhouseCoopers LLP, the independent registered public accounting firm for the Company, a "comfort letter" dated the date hereof addressed to the Underwriters, in form and substance satisfactory to the Representative, covering the financial information in the Pricing Disclosure Package and other customary matters. (ii) On the date hereof, the Underwriters shall have received from Deloitte & Touche LLP, the independent registered public accounting firm for the Company, a "comfort letter" dated the date hereof addressed to the Underwriters, in form and substance satisfactory to the Representative, covering the financial information in the Pricing Disclosure Package and other customary matters. In addition, on the Closing Date, the Underwriters shall have received from Deloitte & Touche LLP a "bring-down comfort letter" dated the Closing Date addressed to the Underwriters, in form and substance satisfactory to the Representative, in the form of the "comfort letter" delivered by such firm on the date hereof, except that (x) it shall cover the financial information in the Prospectus and any amendment or supplement thereto and (y) procedures shall be brought down to a date no more than 3 days prior to the Closing Date.

(c) **No Material Adverse Change or Ratings Agency Change.** For the period from and after the date of this Agreement and prior to the Closing Date:

(i) in the judgment of the Representative there shall not have occurred any Material Adverse Change; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded the Company or any of its subsidiaries or any of their securities or indebtedness by any "nationally recognized statistical rating organization" as such term is defined for purposes of Section 3(a)(62) of the Exchange Act.

(d) **Opinion of Counsel for the Company.** On the Closing Date, the Underwriters shall have received the favorable opinion of (i) Clifford Chance US LLP, counsel for the Company, dated as of such Closing Date, the form of which is attached as Exhibit A and (ii) Venable LLP, Maryland counsel for the Company, dated as of such Closing Date, the form of which is attached as Exhibit B.

(i) for the period from and after the date of this Agreement and prior to the Closing Date there has not occurred any Material Adverse Change;

(ii) the representations, warranties and covenants of the Company set forth in Section 1 hereof are true and correct as of the Closing Date with the same force and effect as though expressly made on and as of the Closing Date; and

(g) **Indenture.** On the Closing Date, the Company shall have executed and delivered the Supplemental Indenture in form and substance reasonably satisfactory to the Underwriters, and the Underwriters shall have received executed copies thereof.

(h) **Additional Documents.** On or before the Closing Date, the Underwriters and counsel for the Underwriters shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Sections 4, 6, 7, 8, 9, 13 and 15 hereof shall at all times be effective and shall survive such termination.

SECTION 6. Reimbursement of Underwriters' Expenses. If this Agreement is terminated by the Representative pursuant to Section 5 or 9 hereof, including if the sale to the Underwriters of the Securities on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof (other than by reason of a default of one or more of the Underwriters), the Company agrees to reimburse the Underwriters, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Underwriters in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

SECTION 7. **Indemnification.**

(a) **Indemnification of the Underwriters.** The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors, officers and employees, and each person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter, affiliate, director, officer, employee or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company or as otherwise permitted by paragraph (d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Prospectus, the Pricing Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter and each such affiliate, director, officer, employee or controlling person for any and all expenses (including the fees and disbursements of counsel chosen by JPM) as such expenses are reasonably incurred by such Underwriter or such affiliate, director, officer, employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply, with respect to an Underwriter, to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representative expressly for use in the Registration Statement, the Preliminary Prospectus, the Pricing Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 7(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) **Indemnification of the Company.** Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors and officers and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company or any such director or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Underwriter or as otherwise permitted by paragraph (d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Prospectus, the Pricing Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Preliminary Prospectus, the Pricing Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representative expressly for use therein; and to reimburse the Company and each such director, officer or controlling person for any and all expenses (including the fees and disbursements of counsel) as such expenses are reasonably incurred by the Company or such director or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters through the Representative have furnished to the Company expressly for use in the Registration Statement, the Preliminary Prospectus, the Pricing Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto) are the statements set forth in the fifth, seventh (third and fourth sentences), ninth and tenth paragraphs under the caption "Underwriting" in the Preliminary Prospectus and the Prospectus. The indemnity agreement set forth in this Section 7(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) **Notifications and Other Indemnification Procedures.** Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; provided that the failure to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 7 except to the extent that it has been materially prejudiced by such failure (through the forfeiture of substantive rights and defenses) and shall not relieve the indemnifying party from any liability that the indemnifying party may have to an indemnified party other than under this Section 7. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 7 for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel (in each jurisdiction)), which shall be selected by JPM (in the case of counsel representing the Underwriters or their related persons), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) **Settlements.** The indemnifying party under this Section 7 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 7, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

SECTION 8. **Contribution.** If the indemnification provided for in Section 7 hereof is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, and the total discount received by the Underwriters bear to the aggregate initial offering price of the Securities. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 7 hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 7 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 8; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 7 hereof for purposes of indemnification.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8.

Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the discount received by such Underwriter in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule A. For purposes of this Section 8, each affiliate, director, officer and employee of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director and officer of the Company, and each person, if any, who controls the Company with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

SECTION 9. Termination of this Agreement. Prior to the Closing Date, this Agreement may be terminated by the Representative by notice given to the Company if at any time: (i) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by the New York Stock Exchange (the "NYSE"), or trading in securities generally on either the NASDAQ Stock Market or the NYSE shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchange by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any of federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Representative is material and adverse and makes it impracticable or inadvisable to proceed with the offering sale or delivery of the Securities in the manner and on the terms described in the Pricing Disclosure Package or to enforce contracts for the sale of securities; (iv) in the judgment of the Representative there shall have occurred any Material Adverse Change; or (v) the Company shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Representative is reasonably likely to interfere materially with the conduct of the business and operations of the Company regardless of whether or not such loss shall have been insured. Any termination pursuant to this Section 9 shall be without liability on the part of (i) the Company to any Underwriter, except that the Company shall be obligated to reimburse the expenses of the Underwriters pursuant to Sections 4 and 6 hereof, (ii) any Underwriter to the Company, or (iii) any party hereto to any other party except that the provisions of Sections 7 and 8 hereof shall at all times be effective and shall survive such termination.

SECTION 10. Representations and Indemnities to Survive Delivery. The respective indemnities, rights of contribution, agreements, representations, warranties and other statements of the Company, its officers and the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company or any of their affiliates, employees, officers or directors or any controlling person referred to in Section 7, as the case may be, and will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

SECTION 12. **Successors.** This Agreement will inure to the benefit of and be binding upon the parties hereto, and to the benefit of the indemnified parties referred to in Sections 7 and 8 hereof, and in each case their respective successors, and no other person will have any right or obligation hereunder. The term "successors" shall not include any subsequent purchaser or other purchaser of the Securities as such from any of the Underwriters merely by reason of such purchase.

SECTION 13. **Authority of the Representative.** Any action by the Underwriters hereunder may be taken by JPM on behalf of the Underwriters, and any such action taken by JPM shall be binding upon the Underwriters.

SECTION 14. **Partial Unenforceability.** The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

SECTION 15. **Governing Law Provisions.** THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SUCH STATE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

SECTION 16. **Default of One or More of the Several Underwriters.** If any one or more of the several Underwriters shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate number of Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase does not exceed 10% of the aggregate number of the Securities to be purchased on such date, the other Underwriters shall be obligated, severally, in the proportions that the number of Securities set forth opposite their respective names on Schedule A bears to the aggregate number of Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as may be specified by the Underwriters with the consent of the non-defaulting Underwriters, to purchase the Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on the Closing Date. If any one or more of the Underwriters shall fail or refuse to purchase Securities and the aggregate number of Securities with respect to which such default occurs exceeds 10% of the aggregate number of Securities to be purchased on the Closing Date, and arrangements satisfactory to the Underwriters and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 4, 6, 7 and 8 hereof shall at all times be effective and shall survive such termination. In any such case either the Underwriters or the Company shall have the right to postpone the Closing Date, as the case may be, but in no event for longer than seven days in order that the required changes, if any, to the Prospectus or any other documents or arrangements may be effected.

As used in this Agreement, the term “**Underwriter**” shall be deemed to include any person substituted for a defaulting Underwriter under this Section 16. Any action taken under this Section 16 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

SECTION 17. **No Advisory or Fiduciary Responsibility.** The Company acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its respective affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and the several Underwriters have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby, and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

SECTION 18. Compliance with USA Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

SECTION 19. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

As used in this Section 19:

“**BHC Act Affiliate**” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

“**Covered Entity**” means any of the following:

- (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**U.S. Special Resolution Regime**” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

SECTION 20. **General Provisions.** This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile or other electronic transmission (i.e., a “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart thereof. This Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to the Company the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Use of Proceeds***:

The Company will use the net proceeds to fund the Tender Offer and the Redemption of the \$375.0 million aggregate principal amount outstanding of its 6.00% Senior Notes due 2022, to repay a portion of the borrowings outstanding under the 2016 Credit Agreement and to pay related fees and expenses

* A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

** It is expected that delivery of the Notes will be made against payment therefor on or about December 16, 2019, which is the sixth business day following the date hereof (this settlement cycle being referred to as "T+6"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes prior to the second business day preceding the delivery date of the Notes will be required, by virtue of the fact that the Notes will initially settle in T+6, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to the second business day preceding the delivery date of the Notes should consult their own advisors.

*** This pricing term sheet is not an offer to purchase or a solicitation of an offer to sell the 6.00% Senior Notes due 2022. The redemption of the 6.00% Senior Notes due 2022 will be made solely pursuant to a redemption notice delivered pursuant to the applicable indenture, and nothing contained in this pricing term sheet constitutes a notice of redemption of the 6.00% Senior Notes due 2022.

Changes from Preliminary Prospectus

Change in offering size

As a result, all information (including financial information) presented in the Preliminary Prospectus is deemed to have changed to the extent affected by the changes described herein.
