On July 2, 2007, iStar Financial Inc. (the "Company") closed on its previously announced acquisition of the commercial real estate lending business and a portfolio of commercial real estate loan assets from Fremont Investment & Loan ("Fremont"), a subsidiary of Fremont General Corporation, pursuant to a definitive asset purchase agreement dated May 21, 2007. The asset purchase agreement is an exhibit to the Company's Current Report on Form 8-K dated May 24, 2007. The Company acquired approximately 285 commercial mortgage loans in the transaction, all of which are first mortgage loans. Approximately 60% of the loans by carrying amount, as of March 31, 2007, are collateralized by apartment and other types of residential properties located throughout the United States. The balance of the loans are collateralized by a variety of property types. The aggregate principal amount of the loans that the Company acquired was approximately \$6.5 billion as of March 31, 2007. In addition, approximately 130 employees of Fremont joined the Company upon the closing of the transaction.

As consideration in the transaction, the Company paid Fremont approximately \$1.9 billion in cash and transferred to Fremont a senior A-participation interest in the acquired portfolio of loan assets representing an approximately 70% interest in the portfolio. The Company retained a 30% B-participation interest in the acquired portfolio of loan assets with an approximate \$2.1 billion principal amount. In addition, the Company has agreed to fund up to approximately \$4.4 billion of unfunded loan commitments associated with the portfolio.
